Fall 2023/Winter 2024

Greetings CTAT,

My theme this year is "Embrace the Journey".

More specifically, Embrace YOUR Journey. To embrace is to accept completely. And in order to succeed you must embrace what is presented in front of you. Journey is filled with wonder, challenges, extreme highs and lows, celebrations and special moments that define our experience. As your journey continues in your county and within CTAT, I pray that each of you embrace it.

It is the events, planned or unexpected, that define your purpose. May 2024 provide balance, adaptability, and be favorable as we continue to be pillars within our local government, of our communities and our association. May we all Embrace the Journey!

Sincerely,

Karrie Crownover
